Personalized & dedicated service

I am extremely proud to be your trusted, knowledgeable resource as your dedicated Inside Sales Equipment Specialist.

I have been with Midwest Veterinary Supply for ten years! Before this role, I was a Veterinary Technician for three years in Hales Corners, Wisconsin. I have always had a love for animals since I was younger. Growing up, my family always said I had a "Zoo" in my room. Besides dogs and cats, I had mice, guinea pigs, gerbils, and ferrets. I always joke with my parents that I should have been raised on a farm!

My husband and I currently have three dogs - Dezi, Blue, and Bandit - and three cats - Simba, Kovu, and Timon. I enjoy dirt track car racing at Wilmot Raceway in my spare time, and the dogs love coming with us! So, if I am not working, you can find me on the track!

I look forward to our partnership and being an asset for you and your practice. Please feel free to contact me with any questions!

Sincerely,

Andrea Aull
