**WE'RE MORE THAN A DISTRIBUTOR,  
WE'RE A PARTNER.**

Colleen Maney  
*Equipment Sales Support*

**Relationships are  
at the heart of what  
we do.**

At Midwest Veterinary Supply, we know that clinics are run by real people with unique needs. We have practical solutions that relieve the challenges of running a practice.

Prices that won't break the bank

Timely & flexible ordering & delivery

Committed to having products you need

Personalized & dedicated service

My name is Colleen Maney. I am extremely proud to be your trusted, knowledgeable resource as your dedicated Equipment Sales Support. I oversee the Midwest Veterinary Supply Demo Equipment, handle equipment returns, and the Dosimetry Badge Program.

My interest in animals started with horses at a therapeutic riding program. I graduated with three Associate degrees in Equine Management, Lab Animal Technology, and Veterinary Technology. I worked in various veterinary clinics as a CVT and passed on my knowledge as a Lab Assistant for a technical college's Veterinary Technician program. I joined Midwest Veterinary Supply in the summer of 2022.

I have been involved in herding as I love Corgis and find working with stock challenging. My current rescue, Corgi, Shylo, has mobility issues and no interest in working stock. We may be doing nose work in the future, as she can always sniff out food in the strangest places.

I am happy to help answer any questions about the Dosimetry Badge program. I will work with your equipment representative to set up demos or returns. Please let me know if you have any questions.

Sincerely,

**Colleen Maney**
