Personalized & dedicated service

My name is Sean LaVigne, and I am your Midwest Veterinary Equipment Representative. I am excited to be working with you. Midwest has been a full-line, nationwide, family-owned veterinary distributor since 1961.

I have been in my current position at Midwest Veterinary Supply for almost 13 years. I am an Equipment Specialist for the Gulf Coast region. I started working in the warehouse with Midwest when I was in high school and I have been with the company ever since. I've always have had a love for animals and have had many pets growing up. I currently have an English Cream Golden Retriever named Bentley. Outside of work, I enjoy spending time with family and friends, listening to music and being outdoors

I look forward to our partnership and being a valued resource for you and your practice. Please feel free to contact me with any questions!

Sincerely,

Sean LaVigne
