**Relationships are
at the heart of what
we do.**

At Midwest Veterinary Supply, we know that clinics are run by real people with unique needs. We have practical solutions that relieve the challenges of running a practice.

Prices that won't break the bank

Timely & flexible ordering & delivery

Committed to having products you need

Personalized & dedicated service

I am extremely proud to be your trusted, knowledgeable resource as your dedicated Equipment Sales Associate.

I grew up raising cattle, swine, and poultry on a family farm in rural Wisconsin. Growing up on a family farm gave me various experiences, knowledge, and a love for animals. I graduated from the University of Wisconsin-Platteville with a B.S. in Animal Science with an emphasis in Dairy Science. After college, I spent time in a small animal clinic as a Veterinary Technician and a Customer Service Representative for Invisible Fence. I have worked with Midwest Veterinary Supply over the past nine years as Equipment Sales Support, then moved to Tradeshow Coordinator before my current role. I gained vast knowledge during my time here, seeing different aspects of our company and all the products and services we offer. In my spare time, I enjoy hanging out with my husband and pets, Skittles, Mochi, and Betty.

I look forward to our partnership and being an asset for you and your practice. Please feel free to contact me with any questions!

Sincerely,

Stacie Bowers
