we do.**

At Midwest Veterinary Supply, we know that clinics are run by real people with unique needs. We have practical solutions that relieve the challenges of running a practice.

Prices that won't break the bank

Timely & flexible ordering & delivery

Committed to having products you need

Personalized & dedicated service

I am extremely proud to be your trusted, knowledgeable resource as your dedicated Equipment Sales Representative.

I have lived in Las Vegas for about 10 years and spent 14 years as a Licensed Veterinary Technician before coming to Midwest. I enjoy spending time outdoors and look forward to spending time with my first child coming April 2024. In our little family's spare time we enjoy drifting in our 2007 Ford Mustang. I have been at Midwest since January of 2024 and look forward to expanding my knowledge and career with Midwest in the future.

I look forward to our partnership and being an asset for you and your practice. Please feel free to contact me with any questions!

Sincerely,

**Traci Foor**
