**Relationships are  
at the heart of what  
we do.**

At Midwest Veterinary Supply, we know that clinics are run by real people with unique needs. We have practical solutions that relieve the challenges of running a practice.

Prices that won't break the bank

Timely & flexible ordering & delivery

Committed to having products you need

Personalized & dedicated service

I am extremely proud to be your trusted, knowledgeable resource as your dedicated Inside Sales Equipment Associate.

I was a CVT in feline specialty clinics for 10 years; I also worked in a reference lab, a research facility, and a humane society. I enjoy cycling, hiking, and snowshoeing with my husband; baking, knitting, and playing in our community band. We have three cats: Stevie, Bogey and The Captain, as well as a small flock of backyard chickens. I enjoy working with a local rescue organization as a foster for kitties.

I've been with Midwest since 2014, and an Equipment Sales Associate since 2017.

I look forward to our partnership and being an asset for you and your practice. Please feel free to contact me with any questions!

Sincerely,

**Becky Baumeister**
