MaKayla Helgeson
Inside Sales Equine Specialist
Indiana Branch

Hello,

I'm MaKayla Helgeson, your Midwest Inside Sales Equine Specialist for the Fort Wayne, Indiana branch. I greatly look forward to meeting each and every one of you!

I have been around horses my entire life and enjoy being around them as much as possible today. I got my first pony, Nemo, at the age of four. He was my spunky little Shetland pony who taught me almost everything I needed to know about riding. I learned a little bit about jumping with him as well, which is how I started on my journey.

I grew up in a small town, Albion, Indiana, where there were very few locations that would teach jumping lessons. As a freshman in high school, I was accepted to train with Albion College's Equestrian team in Albion, Michigan. After working with them for a while, I moved down to Lafayette, Indiana and stayed at a well-known training and breeding barn where I learned as much as I could about dressage and found out how much I loved to train horses.

I then became an emergency equine veterinary assistant at an equine emergency clinic in Columbia City, Indiana. I learned so much about the medical side of things and decided that is where I wanted to continue my career, which led me to Midwest Veterinary Supply!

Today, I spend my time with my two off track Thoroughbreds, Gatsby and Niko, as well as my dogs, Severus and Phoebe, who all keep me rather busy. I do continue to train horses as this is something I greatly enjoy.

I look forward to getting to know each of my customers and building wonderful relationships with everyone. Should you have any questions, concerns, or would just like to chat, please feel free to email me or give me a call. I hope to hear from you soon!

Sincerely,

MaKayla Helgeson
