## FREE Treatment Plan App

Use this web-based app to create customized canine heartworm treatment plans based off of updated AHS Canine Treatment Guidelines.

### App Features:

- ▶ Dosage/drug calculator
- ▶ Customize step-by-step treatment plan to print or send directly to the pet owner's smartphone
- ▶ Educate clients - includes heartworm lifecycle chart, video, and pet owner handout
- ▶ Complete list of heartworm prevention products

← Find the great app here:
