

## 2026 NEW PRACTICE PROGRAM

New veterinary practices are being offered the opportunity to “Buy 1, Get 1 Free” on select Bio Health Solutions products and product sizes based on the following qualifications:

- The practice must have “opened” for business within the previous 180 days from date of New Practice Program form submission. – Mobile veterinary clinics must present state approved premise license or similar documentation to participate.
- All orders must be submitted and approved by the appropriate Bio Health Solutions manager at [vetsales@bioheathsolutions.com](mailto:vetsales@bioheathsolutions.com) in order to qualify.
- Bio Health Solutions products selected for the *New Practice Program* are seen below. **No other SKU’s (stock keeping units) qualify for New Practice Program.**
- No mixing or matching of products – “Buy 1, Get 1 Free” of like kind only. Free goods must be exactly the same SKU as the SKU purchased except where specified. All program orders must be on one invoice.
- Free goods must be shipped with the qualifying order.
- Initial purchases limited to \$750 of Bio Health Solutions products, excluding qualifying free goods associated with purchase.
  - Participating clinics can purchase an additional \$750 in product and receive corresponding free goods upon participation in a Bio Health Solutions “lunch and learn” presentation. Email [vetsales@bioheathsolutions.com](mailto:vetsales@bioheathsolutions.com) to schedule your “lunch and learn” training.
- This offer cannot be combined with any other product discount or product special.
- Bio Health Solutions reserves the right to change, modify, alter, or update the terms and conditions of the *New Practice Program*, including cancelling the program at any time and without prior notice.
