

KeraVet Gel

Midwest Vet Promos

- New clinics
- Moved clinics
- Universities and training centers
- Shelters and nonprofits

**KeraVet Gel is the first and only keratin-based hydrogel for pets!
It keeps wounds and incisions healing even if the E-collar comes off.**

Backed by clinical studies:

- Less edema
- Less chronic inflammation
- Reduces licking by 85%+

Go-to uses:

- Lick granulomas
- Dehisced incisions
- Bite wounds
