SHELTER PROGRAM

Support recovery for injured,
malnourished or abused dogs
and cats in your shelter.

Elevate your rehabilitation
efforts with MYOS, the all-natural
supplement, and witness
remarkable health
improvements!

Fortetropin® is a patented & proprietary all-natural formula derived from 100% fertilized chicken egg yolk. Shown in multiple veterinary clinical studies to help build muscle, improve mobility & reduce muscle loss due to aging, surgery or injury.
