PKB Animal Health Supports the Care of Animals at  
Shelters, Rescue Groups and Animal Welfare Organizations

Our Animal Welfare Program provides affordable healthcare solutions to shelters, rescue groups and animal welfare groups who are 501(c)(3)s so animals in your care can be treated reasonably as they wait to be adopted by their forever family.

We will be giving a **20% Discount** on the rest of our product line (not pictured SKUs) with all 501(c)(3)s, to be utilized only at these facilities. The order billing and payment must be paid by the 501(c)(3) as proof of purchase and payment to receive the discount.

This will be strictly monitored for the 501(c)(3) only.
