

iQ3 Vet™ ALL-IN EVENT

May 11 – June 30, 2026

\$900 GIFT CARD

Bring advanced imaging and ongoing support together by purchasing the iQ3 Vet Complete Solution Bundle (900-30030) and receive a \$900 digital gift card after product registration.

For trained veterinary professionals only. Butterfly iQ3 Vet is a software experience customized for animal use only and is intended to be used in animal health care settings. Read the User Manual for warnings, precautions and/or contraindications.
For prescription use only. Butterfly iQ3™/iQ+ Vet is a portable ultrasound system designed for external ultrasound imaging. Read the User Manual for warnings, precautions and/or contraindications.

A digital gift card will be issued 2-6 weeks upon product registration. See registration card included in product package.

Offer valid May 11 - June 30, 2026 for new Butterfly customers or clinics with an annual subscription looking to upgrade with the purchase of an iQ3 Vet Complete Solution Bundle (900-30030). Limit one gift card per clinic. Offer can not be combined with any other Butterfly promotion including trade-in promotions. Additional bundles purchased during the promotion period do not qualify for additional gift cards.
