

MIDWEST NEW USER PROGRAM

New users are being offered the opportunity to “Buy 2, Get 1 Free” on select Bio Health Solutions products and product sizes based on the following qualifications:

- To qualify for this program, the practice must not have purchased any Bio Health Solutions product within the 12 months preceding the promotion order date.
- All orders must be sent to the BHS National Sales Manager after the order is placed at dave.arakelian@biohealthsolutions.com
- Bio Health Solutions products selected for the *New User Program* are seen below. **No other SKU's (stock keeping units) qualify for *New User Program*.**
- No mixing or matching of products – Buy 2, Get 1 Free of like kind only. Free goods must be exactly the same SKU as the SKU purchased except where specified. All program orders must be on one invoice.
- Free goods must be shipped with the qualifying order.
- Initial purchases limited to \$750 of Bio Health Solutions products, excluding qualifying free goods associated with purchase.
 - Participating clinics can purchase an additional \$750 in product and receive corresponding free goods upon participation in a Bio Health Solutions “lunch and learn” presentation. Email vetsales@biohealthsolutions.com to schedule your “lunch and learn” training.
- This offer cannot be combined with any other product discount or product special.
- Bio Health Solutions reserves the right to change, modify, alter, or update the terms and conditions of the *New User Program*, including cancelling the program at any time and without prior notice.
