PetFlex® No Chew Self-Adhering Elastic Bandage

2"

3"

4"

PetFlex® is a self-adhering elastic bandage for animals with multiple uses including affixing, splinting, light compression and wound care needs. The EasyTear technology in our PetFlex bandages eliminates the need for scissors.

Ovik PetFlex® No Chew Bandage

Why It's Loved:

- 15 lbs. tensile strength
 - EasyTear technology
 - Sweat and water resistant
 - Controlled compression
 - will not constrict
 - Quick, easy application
 - no scissors needed
 - Made in the USA
- Sizes: 2", 3" & 4"

SIZED FOR MULTIPLE PATIENTS

Three convenient sizes to choose from for the right fit, every time.
