†Offer only valid on **BRAVECTO QUANTUM (fluralaner for extended-release injectable suspension) for Dogs** or **BRAVECTO (fluralaner) Chews for Dogs**. Offer available only to dogs that are six (6) to eighteen (18) months of age.

***BRAVECTO QUANTUM** kills adult fleas, prevents flea infestations and treats and controls ticks (black-legged, American dog tick and brown dog tick) for 12 months. BRAVECTO QUANTUM also kills lone star ticks for 8 months.

****BRAVECTO (fluralaner) Chews for Dogs** kills fleas, prevents flea infestations, and kills ticks (black-legged tick, American dog tick, brown dog tick and Asian longhorned tick) for 12 weeks. BRAVECTO Chews also kills lone star ticks for 8 weeks.

BRAVECTO (fluralaner) Chews for Dogs: The most commonly reported adverse reactions include vomiting, lethargy, diarrhea, anorexia and pruritus. In some cases, adverse events have been reported following use in breeding females. BRAVECTO Chews has not been shown to be effective for 12-weeks' duration in puppies less than 6 months of age. BRAVECTO Chews is not effective against lone star ticks beyond 8 weeks of dosing. Indicated for dogs 6 months of age and older. Use with caution in dogs with a history of seizures or neurologic disorders. **BRAVECTO QUANTUM (fluralaner for extended-release injectable suspension) for Dogs:** The most commonly reported adverse reactions in a US field study included lethargy, decreased appetite, vomiting, diarrhea, elevated liver enzymes and pruritus. BRAVECTO QUANTUM is not effective against lone star ticks beyond 8 months of dosing. Indicated for dogs 6 months of age and older. Use with caution in dogs with a history of seizures or neurologic disorders.

Program Terms & Conditions:

Offer valid for purchases made between 1/1/2026 and 12/31/2026. To receive your rebate fulfilled via Merck Visa® Prepaid Card, all fields must be completed online or via mail-in rebate form. Original, itemized veterinary invoice with product purchased, purchase price, purchase date, and invoice number circled must accompany the submission. Rebate request must be submitted on or before 1/31/2027. Veterinary invoice must reflect a purchase of at least one (1) dose of **BRAVECTO QUANTUM (fluralaner for extended-release injectable suspension) for Dogs** or **BRAVECTO (fluralaner) Chews for Dogs**.

Only one (1) offer can be redeemed per invoice and this offer cannot be combined with other offers. Limit one (1) rebate submission per pet and limit four (4) per household, address or person, and right is reserved to confirm identity. Offer may only be redeemed by the pet owner, who must be 18 years or older to redeem. Offer available on purchases from clinics in the fifty (50) United States or the District of Columbia only. **Purchases from online pharmacies or other retail outlets not associated with your veterinary clinic are not valid.** Merck Animal Health reserves the right to decline submissions for purchases from unauthorized distributors.

Void where prohibited by law. Please allow up to eight (8) weeks for rebate delivery. Rebate will be fulfilled via Merck Visa Prepaid Card.

Card is issued by Pathward, N.A., Member FDIC, pursuant to a license from Visa U.S.A. Inc. No cash access or recurring payments. Can be used everywhere Visa debit cards are accepted. Card valid for up to 6 months; unused funds will forfeit after the valid through-date. Card terms and conditions apply. Please allow up to 8 weeks for delivery of the rebate. For rebate inquiries call 855-496-0146 or visit rewards.mypet.com.

By submitting this rebate, I agree to receive information on products and services from Merck Animal Health and its subsidiaries. My account information may also be used to deliver tailored social media ads. I can manage my communication preferences at any time by clicking on the link at the bottom of my email at any time.

REBATE INSTRUCTIONS

Online Rebate Instructions:

Step 1: Buy qualifying products.

Step 2: Go to rewards.mypet.com.

Step 3: Click "Submit a Rebate" and select offer code: **GRAD26**.

Step 4: Follow the step-by-step instructions to complete the online form, upload your itemized invoice, and submit your rebate. Ensure veterinary clinic name, with invoice number, product purchased, and price and date are circled and visible in your uploaded image. The authentication code required can be found on your original, mail-in rebate form in the bottom left corner. Keep a copy of all materials submitted for your records.

Step 5: When your rebate is approved, you will receive a Prepaid Reward Card in the mail.

Fraudulent submission could result in federal prosecution under mail fraud statutes (Title 18, Sections 1341 & 1342).

- Use of multiple addresses to obtain additional rebates may constitute fraud and may result in prosecution.
- Reproduction, purchase, sale, or trade of rebate forms, proofs of purchase, and cash register receipts are prohibited.
- Not responsible for lost, damaged, misdirected, or postage-due mail.

Mail-in Rebate Instructions:

Step 1: To mail in a rebate request, please complete the information on the original, mail-in form below. All form fields must be completed to qualify and a unique authentication code must be present on the form. Duplicated codes will not be honored.

Step 2: Enclose an itemized invoice from your veterinary clinic, with invoice number, product purchased, and price and date circled. Receipts are prohibited.

Step 3: Mail this completed form and itemized invoice to:
