

# Getting Your Cat Here Is Half the Battle.

*Let Us Help.*

Many cat owners worry about the trip to the veterinarian—and we understand why. From carriers to car rides, getting a cat to an appointment isn't always easy.

The good news? We have tools and tips to help make the experience less stressful for both you and your cat.

## We Can Help With:

✓ **Loaner carriers**  
for safe and comfortable transport

✓ **Feline pheromones**  
to promote a sense of calm

✓ **Calming medications**  
when appropriate

✓ **Extra-yummy treats** to encourage cooperation

✓ **Cat-friendly handling techniques** from our veterinary team

## Don't Let the Trip Stand in the Way of Their Health

Cats are experts at hiding illness, which makes regular veterinary visits important—even when they seem perfectly healthy.

If you're concerned about bringing your cat in, give us a call. We'd be happy to discuss options and help make the visit as smooth as possible.
